

ACT's 43rd Seminar

NA COMMERCIAL VEHICLE & TRANSPORTATION INDUSTRIES
REVIEW & OUTLOOK: 2010-2015

October 12-14, 2010

Holiday Inn Conference Center, Columbus, IN

**Take it to the limit
at the Allison Test Track.**

Allison Transmission has generously offered to host a group of ACT OUTLOOK seminar attendees at its test track facility in Indianapolis. See how Allison is driving transmission technology and experience an array of trucks and transmissions.

You'll have the chance to drive over 20 different trucks through a variety of conditions. Take an on-highway truck around the one-mile road course. Or, you can attempt the jaw dropping 25% grade that's part of the separate off-highway course.

This program is limited to 40 OUTLOOK attendees and space will go quickly. Allison will provide round-trip transportation from the Holiday Inn aboard their state-of-the-art hybrid transit bus. Or, you can meet the group at if you're driving to Indy or flying into the Indianapolis airport.

Date: October 12, 2010
Depart Holiday Inn 12:30 p.m.
Arrive Allison Transmission: 1:30 p.m.

Depart Allison Transmission: 3:30 p.m.
Arrive Holiday Inn: 4:30 p.m.

You will need to register for this ACT Seminar event.

Please note that personnel from competing transmission manufacturers will not be allowed to participate in Allison's Drive A Truck because of the confidentiality of the program. Names of participants will be given to Allison. Thank you for your understanding in this regard.
